Hardin County Habitat for Humanity (HCHF) revitalizes neighborhoods and builds simple, decent, affordable housing for low-income families in Hardin County. HCHF is an independent affiliate of Habitat for Humanity International, a global home building movement. Habitat welcomes people from all walks of life to partner in serving families in need and creating a better community for everyone who lives here.

Founded in 1992, Hardin County Habitat for Humanity has been providing homeownership opportunities for hardworking families for 28 years. Habitat serves Hardin County, KY, and has built 73 homes in partnership with local families. Collectively, Habitat for Humanity has built over 1,000,000 homes worldwide, averaging one home every seven minutes.

# Looking Forward-2021

What we do and our impact on our Community

---

## Our Current Projects

As the Spring 2021 comes to an end, we are under construction on house #73 and have broke ground on house #74 in Elizabethtown. We are thrilled to have been able to continue construction throughout the year 2020. As always, we are in need of more Volunteers at job sites and our busy Restore! We anticipate more volunteers coming out since the weather is warming up and we are excited to invite everyone to dedicate a day or two of volunteering with our crew. Our Construction Foreman, Howard Gatlin, at the job site will guide you through tasks while on the job site making sure you are safe, and you are using all the equipment safely. Restore Store Manager, Arnel Megino, will coach you in your Volunteer Role at the Restore, whether it is unloading the trucks, customer service, or pricing inventory. Contact us today for more information on how you can get involved with Hardin County Habitat for Humanity! As always, thank you to all who have volunteered at The Restore and at our job sites! "Everyone Deserves a Decent Place to Live!"

- Bourbon Raffle- Coming this Fall of 2021
- More exciting events and fundraisers to be announced. Follow our Facebook for more up to date information.

This Incredible 10-bottle double set of the world's finest bourbons includes the full vertical set of Pappy Van Winkle Bourbon and The Buffalo Trace Antique Collection was part of our Spring 2021 Raffle. Next Raffle to be held this Fall of 2021!

# Donate

As the economic shocks from the COVID-19 crisis ripple out, the families with whom we partner will be hit the hardest, and they will need our hand up now more than ever. Our work - much like flattening the curve - will require all of us, together. Help us help these families and our community.

There are many ways in which you could contribute to our cause: Become one of 500 sustaining partners of Habitat for just \$25 a month. 500 partners at \$300 a year can build three homes!

Become a Bequest Eternity Builder, where you donate towards our Legacy Giving Program: leave a legacy and provide enduring support to Hardin County Habitat's work.

Give a one-time donation, no amount too small, to help a family in need to build their forever home!

# Volunteer Opportunities

Hardin County Habitat for Humanity is always seeking people to help in our home construction efforts! Our job sites and our Restore store are always looking for volunteers! From customer service to merchandising to event planning, Habitat ReStores offer a multitude of volunteer opportunities geared toward individual interests and skills. At our Job Sites, Volunteers will participate in building the forever home alongside of fellow community members and the Partner Family all year around. Learn more about our volunteer opportunities on our website [www.hardinhabitat.com/volunteer](http://www.hardinhabitat.com/volunteer).

**“It takes faith, finances, hard work and help.”**

**DONATE  
VOLUNTEER  
ADVOCATE**

“We are partnering with the City of Elizabethtown and Hardin County to do our part in helping families achieve the American Dream of owning a home. We want to break the chain of poverty by giving our partner families a Hand Up, not a Hand Out.” - CEO Scott Turner

Did you know that the Habitat homes being built in Hardin County are ranked as some of the most energy efficient homes in the state, by any builder!

Did you know that the homes are NOT given to the family, but has an affordable mortgage with payments based on the families income?

Did you know that the Partner Families have to help build the homes?
